Mission: *We as community members make a commitment to attending meetings on an ongoing basis to identify neighborhood issues, concerns, and solutions for the future development of the Bottineau Transitway. We will take the information we have learned back to the broader community. This working group is committed to an authentic, transparent, accountable community process with the ultimate goal of leveraging community benefits for North Minneapolis.*

Agenda

- Welcome and introductions
- Updates
- Update on letter/request to Hennepin County
- Update on the plan to report out meeting to the community
